5. Details (check spelling sa lahat kasi mayroon maling word)

Edit with WPS Office

6. Graphs (para sa analytics)

- services

- most used items

- most in and out items

- locations (san madalas may client "Hitmap")

7. Change label sa "Facts"

8. Viewable din dapat yung mga generic content na nakalagay din sa email

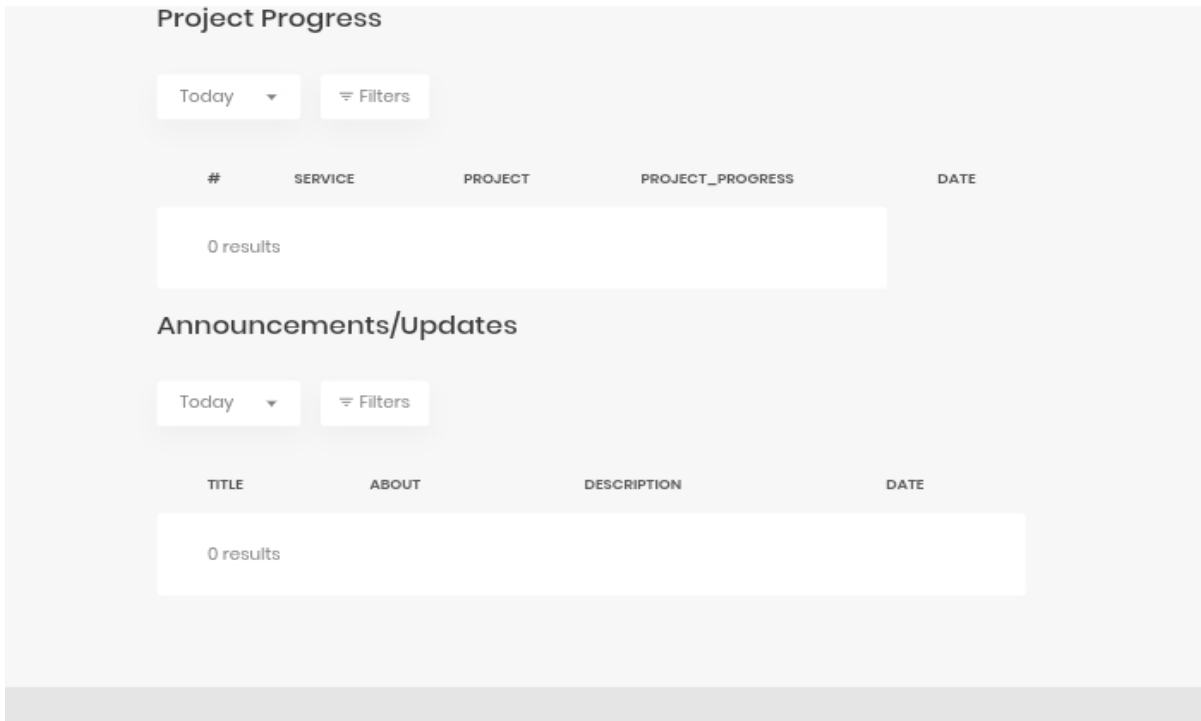

(ano yung 30% na nagawa na)

- on going / in progress

- completed

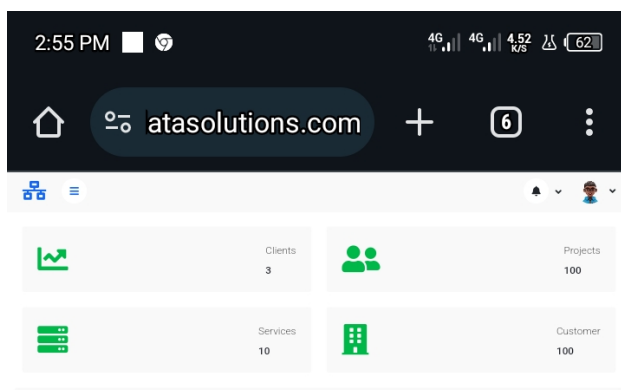

- pending

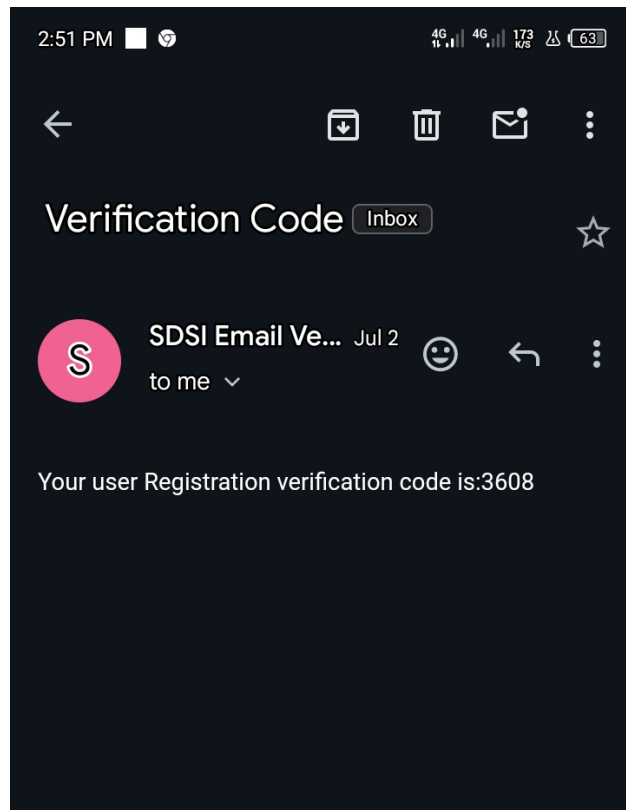

9. SDSI logo (sa Log in Page)

10. Ilan yung on going projects (dapat naka dashboard kung ilan)

11. Email message contents (dapat hindi lang your user registration dapat kagaya din yung sa gcash kasi kapag sa gcash tinatanong ka kung ikaw ba talaga yung mismo owner nito ganun

example: WAG I-SHARE ANG IYONG OTP. May bagong device na nagrequest ng access sa GCash account mo. Kung ikaw ito, ang OTP ay 029558. Kung hindi, scam yan at wag ibigay.
